**Circular Letter No: IT 06/03**

**Application of the Medical and Laboratory Technician  
increases to Technicians in the Institutes of Technology on an  
interim basis.**

I am directed by the Minister for Education and Science to say that it has been agreed to grant the increases awarded to the MLT Technicians to the Technicians in the Institutes of Technology sector on an interim basis.

It was agreed with the Unions that this would be subject to a cap on the increase at 5% (i.e. pay actual increase if the amount is below 5%, but where the increase on individual points on scale exceed 5% then the increase should be capped at 5%) so as to avoid potential overpayments.

Sanction is hereby given for the application of the attached approved salary scales to relevant staff in your Institute, on an interim basis.

Any queries in relation to the application of this circular letter should be directed to Colleges Section, Department of Education & Science, Marlborough Street, Dublin 1. Telephone (01) 8892120 or by e-mail to: [anne\\_grace@education.gov.ie](mailto:anne_grace@education.gov.ie).
