

Circular Letter 0063/2009

To the Chief Executive Officer of each Vocational Education Committee

Cycle to Work Scheme

1 INTRODUCTION

The Minister for Education and Science wishes to inform CEOs of the introduction of the Cycle to Work Scheme. The scheme will apply to all staff employed by VECs.

Legislation was introduced in the Finance (No. 2) Act 2008 which allows an employer to incur the expense of providing an employee with a new bicycle¹ without the employee being liable for benefit-in-kind taxation. The Legislation also permits the benefit-in-kind tax exemption to apply in the context of salary sacrifice, that is, where an employee agreed to forego or sacrifice part of his/her salary in lieu of the provision of new bicycle by the employer. The employee will not pay tax, PRSI, income levy or pension related deduction on the remuneration sacrificed.

The scheme allows an employer to purchase a new bicycle and/or bicycle safety equipment up to a value of €1,000 once every 5 years on behalf of an employee.

A guidance note on the scheme including a series of Questions and Answers provided by the Revenue Commissioners can be found at: <http://www.revenue.ie/en/practitioner/law/bik-exemption-for-bicycles.pdf>

The scheme applies only to new bicycles and bicycle safety equipment purchased from approved suppliers. [A list of suppliers is available on the OPW web site at <http://www.opw.ie/en/OurBusinessUnits/GovernmentSuppliesAgency/Cycle-to-WorkScheme/>. Note that the list may be limited at the outset but shops and suppliers may apply to join at any stage.]

2 REQUIREMENTS OF THE SCHEME

Salary sacrifice by an employee in respect of the bicycle will be acceptable to the Revenue Commissioners as being effective for tax purposes under the following conditions:

1. There must be a bona fide and enforceable alteration to the terms and conditions of employment, i.e. exercising a choice of benefit instead of salary.
2. The alteration must not be retrospective and must be evidenced in writing.
3. There must be no entitlement to exchange the benefit for cash;
4. The choice exercised (i.e. benefit instead of cash) cannot be made more frequently than once in a five-year period

¹ The scheme also applies to safety equipment relating to cycling.

5. The choice exercised must be irrevocable for the relevant year for which it is made.

The salary sacrifice will have no impact on pension contributions or on pension benefits.

3 APPLICATION FOR THE SCHEME

The scheme will be introduced for the 2010 calendar year.

Completed applications must be forwarded to the administration office in the appropriate VEC no later than 15th December for the following calendar year i.e. applications for 2010 must be forwarded to the appropriate VEC administration office by 15th December 2009. Cycle to Work Scheme Conditions

1. The applicant must be employed in a Permanent, Contract of Indefinite Duration (C.I.D), fixed term, or Regular Part Time capacity at the date of application. The employment must be capable of lasting until the salary sacrifice has been recouped.
2. The employee must sacrifice or forego part of his/her annual basic salary in lieu of the provision of new bicycle/cycle safety equipment by the VEC. This arrangement will operate until the salary sacrifice has been recouped and this will be reflected in his/her pay slips over that period.
3. The new bicycle/cycle safety equipment acquired under the scheme must be used primarily for the purpose of transport to or from work and/or traveling between work places.
4. When purchasing a new bicycle, the employee must be aware that the National Safety Authority of Ireland implements on behalf of the European Commission certain bicycle safety standards. Bicycles that comply with such standards are presumed to comply with the EU General Product Safety Directive 2001/96/EC which lays down an obligation on producers to place safe products on the market. The relevant standards are;
I.S. EN14764:2006 - city and trekking bikes,
I.S. EN14766:2006 – mountain bikes,
I.S. EN14781:2006 – racing bicycles.
More information on these matters can be accessed at <http://www.nsai.ie>
5. The employee will not be able to cease his or her participation in the scheme prior to the expiry of the salary sacrifice arrangement, except in cases of termination of employment. Where employment is terminated before the expiration of the salary sacrifice arrangement, the employee must pay the balance due to the VEC, which may be deducted from any outstanding payment due in termination of the employment. Where this is not possible, it may be then necessary for the VEC to recover the balance due from the employee.
6. Participation in the scheme will be limited to once in each five-year period.
7. The scheme applies only to new bicycle/cycle safety equipment purchased from approved providers. A full list of providers is available from the OPW website: <http://www.opw.ie/en/OurBusinessUnits/GovernmentSuppliesAgency/Cycle-to-WorkScheme/>.
8. The payment for the bicycle / cycle safety equipment will be made to the supplier by the VEC. It will be a requirement of the scheme for participating suppliers that all warranties relating to the bicycle/bicycle safety equipment will be for the benefit of the employee and all issues arising in relation to the warranties will remain between the employee and the supplier.
9. The employee acknowledges that the VEC is not responsible or liable for the security, disposal, maintenance, repair and use of the bicycle or bicycle safety equipment.
10. The VEC accepts no responsibility for misuse of bicycles or equipment by the employees and asserts that bicycles and bicycle safety equipment acquired by virtue of the scheme are strictly non transferable.
