## **1. INTRODUCTION**

- 1.1 The purpose of this scheme is to reflect in the remuneration of a Special Needs Assistant the value of previous experience relevant to his/her work.
- 1.2 The Scheme sets out
  - a) the criteria by which the appropriate point of the salary scale shall be determined on which a Special Needs Assistant (SNA) shall be placed on appointment and
  - b) the method by which progression on the scale thereafter may be achieved.
- 1.3 The scheme provides for the award, on satisfactory completion of probation, of incremental credit in respect of certain previous experience as set out below. Credit shall not be awarded more than once for any period of prior service.
- 1.4 The incremental date of a SNA whose salary scale point is revised in accordance with this scheme may be adjusted accordingly.
- 1.5 This scheme shall have effect as and from 8 April 2002.

## **2. ELIGIBILITY**

- 2.1 To be eligible for the award of incremental credit, a SNA must
  - a) hold the minimum educational qualification prescribed from time to time by the Minister for Education and Science at the time of first appointment and
  - b) have satisfactorily completed his/her probationary period.
- 2.2 A person appointed as a SNA who does not hold the prescribed minimum qualification, or whose probationary period is extended, shall be paid at the first point of the scale and shall not be eligible to progress on the scale above this point unless and until s/he has acquired the prescribed qualification or satisfactorily completes probation.

## **3. PROGRESSION ON THE INCREMENTAL SCALE**

- 3.1 An increment may be granted as from the date immediately succeeding that on which a SNA shall have completed a year of satisfactory service. Progression shall be dependant on the service given being certified annually by the school authority as having been satisfactory, in the form set out in [Appendix 2](#) or in such other form as may be prescribed from time to time for this purpose<sup>1</sup>. Certification documents must be retained as part of the records of the school or VEC as appropriate.
- 3.2 The first increment shall be payable on the first anniversary of appointment or satisfactory completion of probation whichever is the later.
- 3.3 An increment may be withheld and/or one or more increments may be withdrawn where the service of an SNA is deemed unsatisfactory by the school authority. The school authority shall on form DEF-INC set out in [Appendix 3](#) or in such other form as may be prescribed from time to time for this purpose, advise the Payroll Service of the Department of Education and Science/VEC, as appropriate of each SNA employed where an increment is to be withheld or withdrawn.

#### 4. PREVIOUS RELEVANT SERVICE

- 4.1 Credit on the incremental scale may be awarded in respect of period(s) of relevant experience gained in the Public Service, or in any agency funded by the State. The experience so gained must be demonstrated by the SNA, to the satisfaction of the school authority (including Vocational Education Committee as appropriate) and of the Department, to be directly relevant to the requirements of the post to which the SNA has been appointed.
- 4.2 Service in one or more of the following categories of employment – as defined by the Department of Health and Children or Department of Education and Science - may be considered for the purpose of the award of incremental credit under this scheme where satisfactory documentary evidence is submitted:

Nurse – e.g. SEN, SRN  
Nursery Nurse,  
House Parent in a residential institution,  
Care Attendant,  
Recognised teacher<sup>2</sup> in a State funded school.

Other categories of employment may be considered where the applicant can clearly demonstrate to the satisfaction of the Department of Education and Science<sup>3</sup> the relevance of the service to the duties of the SNA.

- 4.3 Incremental credit shall not be awarded in respect of work undertaken
- as part of a course of study for the award of a qualification,
  - in a clerical/administrative capacity,
  - in a volunteer capacity or
  - in the service of a private employer.
- 4.4 For service to be reckoned for the award of credit, the employer at the time must certify that
- the service was remunerated under a whole-time contract of employment or, with effect from 20 Dec 2001, a regular part-time contract, and
  - the applicant was appropriately qualified at the time it was given and
  - the service was satisfactory.
- 4.5 The SNA shall be placed on the scale at the point s/he would have reached had the service, in respect of which credit is awarded, been service as a qualified SNA.
- 4.6 Payment of any award in respect of relevant previous experience shall not be made earlier than the date on which probation is satisfactorily completed.

<sup>2</sup> A teacher who has retired under the Early Retirement Scheme for teachers will, under the terms of that scheme, forfeit his/her pension on taking up any other employment in the public sector.
