Circular Letter No 73/74

Establishment of Boards of Management  
of Vocational Schools

15 Iúil, 1974

The Minister for Education wishes to draw the attention of Vocational Education Committees to the terms of Section 21 of the Vocational Education Act, 1930, which are as follows:-

- (1) A vocational education committee may from time to time appoint such and so many sub-committees as it thinks proper for the exercise or performance of any of its powers, duties, and functions which in its opinion can be better or more conveniently exercised or performed by a sub-committee.
- (2) The Minister may from time to time by order require a vocational education committee to appoint a sub-committee to exercise and perform in relation to any part of the vocational education area of such committee such specified powers, duties and functions of such committee as in the opinion of the Minister can be better or more conveniently exercised or performed by a sub-committee and whenever any such order is made and in force it shall be the duty of such committee to comply with the requirements thereof.
- (3) The Minister may, as and when he thinks fit, revoke an order made by him under the foregoing sub-section and thereupon such order shall cease to be in force.
- (4) A sub-committee appointed by a vocational education committee shall consist of not more than twelve members, and may, at the discretion of such committee, consist exclusively of persons who are members of such committee or partly of persons who are and partly of persons who are not members of such committee.
- (5) The acts of every sub-committee of a vocational education committee shall be subject to confirmation by such committee save where such committee with the sanction of the Minister dispenses with the necessity for such confirmation.

In the light of these provisions, the Minister wishes to suggest that Vocational Education Committees should avail themselves of the powers conferred upon them by Section 21 of the Act to set up a sub-committee in respect of each vocational

school in their schemes which would act as a Board of Management of that school.

The composition, procedure and functions which the Minister considers appropriate to these suggested Boards of Management are set out in the attached memorandum.

Boards of Management constituted in accordance with the terms of this circular should come into operation by the 31st October 1974.
