Occupational Health Service (OHS)

For Teachers and Special Needs Assistants, and for Clerical Officers and Caretakers employed in National Schools under the 1978/79 Scheme, and Clerical Officers employed in Post Primary Schools under the 1978 Scheme.

Medmark Occupational Healthcare are the current providers of a dedicated Occupational Health Service for schools and their employees. They aim to provide a well co-ordinated and managed medical assessment system, a supportive resource, ensuring that with the Department of Education and Skills meet their obligations under the Safety, Health & Welfare at Work Act 2005. They offer professional occupational health advice on employee medical fitness under the following headings:

- Pre-employment health assessments
- Sickness absence assessment
- Medical fitness to return to work assessments
- Ill health retirement assessments
- Critical Illness Provisions (CIP)

How do I access the service?

The service is accessible through the **telephone advice line at 1890 235711** which is available Monday to Friday, 9am to 5pm. An out-of-hours answering service is also available where you can leave a message and Medmark will endeavour to return your call within 48 hours.

Alternatively you can email your query to info@medmark4teachersna.ie
