Introduction and Overview.

A quick guide to your new Wellbeing Together Online Portal!
Introducing Wellbeing Together with Spectrum.Life

Spectrum.Life is Ireland’s largest provider of allied health services, who deliver evidence-based health innovation to clients across Ireland and the UK. We currently support over 2,000 companies in their health and wellness programmes. We make workplace wellbeing more manageable and accessible than ever by connecting onsite wellness, digital wellbeing, Employee Assistance Services and Health Screening in one holistic solution.

How can Spectrum.Life benefit you?

See below just some ways you can start using the Wellbeing Together online portal to support you in taking control of your health and wellbeing!

EAS

Accessing your Employee Assistance Service (EAS) is now easier than ever. Available through our 24/7 helpline you can also use your app to live-chat, request a call back and access additional services such as mental health eLearning.

Digital Wellbeing

Through your Wellbeing Together Spectrum.Life app, you will have access to hours of digital wellbeing content that has been created by industry experts on topics such as Mental Health, Fitness, Nutrition, and Sleep. You can also work towards specific fitness and nutrition goals by using our progress trackers!
