Subject: ETBI Statement in response to the call for Submissions on the Plan to Address the Role of Religion in Schools Admissions

Sensitivity: Personal

Flag Status: Completed

In response to the call by the Department of Education and Skills for submissions on the *Plan to Address the Role of Religion in Schools Admissions*, ETBI make the following statement;

Community National Schools (CNS) have open enrolment policies which give equal access to all children regardless of their faith or belief. They do not require a baptismal certificate for school admissions. CNS schools cater for all children in the local community and therefore fully reflect the areas they serve.

Joan Russell
