Notes:

Court lines are to be set-out as shown.

Court lines must be 5cm wide and marked using a suitable non-slip acrylic paint.

Notes:

Multi Use Games Area or MUGA equipment is to consist of a goal that conforms with FIFA Futsal and IHF Handball regulations, and a basketball net that conforms with FIBA regulations.

The MUGA equipment must be fit for the intended purpose and have a minimum of a 10 year warranty.

The MUGA equipment must be supported by suitable foundations, designed by a Registered Engineer, taking into account local ground conditions.

The MUGA equipment must be vandal proof, including any fittings and fixtures.

If any element of the equipment is welded, the welding must comply with EN ISO 5817. If any element of the equipment is galvanised, it must comply with ISO 1461.

The walls of the MUGA are to comply with the minimum dimensions provided, can be solid or metal rails/mesh. The games side surfaces must allow balls to bounce true. The games side surfaces must be free from any sharp protrusions that could possibly pose a safety risk to the users. If there are gaps in the structure of the walls, these gaps must not allow a tennis ball to pass through.

The basketball back board must be fixed to the supporting structure using Thermoplastic Vulcanisate plugs, which will reduce vibrations and noise levels.

Notes:

Court lines are to set-out as shown.

Court lines must be 5cm wide and marked using a suitable non-slip acrylic paint.
Notes:

Tennis and Volleyball court lines are to set-out as shown below.

Court lines must be 5cm wide and marked using a suitable non-slip acrylic paint.

Tennis court lines and Volleyball court lines must be clearly distinguishable from each other. Using different colours would be preferred option to distinguish between the two courts.

Pockets for tennis and volleyball net posts must be provided, along with the posts and nets, for both sports.

Possible Layout (2 Tennis & 2 MUGA)
