

Redeemed Christian Church

The proposed school will be a co-educational primary school under the patronage of the Redeemed Christian Church of God and will provide education of the highest quality within the context of the Christian belief and practice as well as ensuring best educational practices by putting the child first.

It will serve the wider Christian Community in the relevant areas. The school will be committed to openness, inclusiveness of all and multidenominational service, serving many in the whole identified areas.

The school will encourage parent participation appreciating the complementary roles of parents and teachers in achieving the common aim of educating the students according to Christian principles.

The core mission of the school is to motivate the child to Godly excellence by encouraging the qualities of wisdom, personal integrity, diligence, honesty, patience, love and kindness in the student, thereby equipping them to shape society as future leaders and respond to the challenges and demands of life itself.

The school will provide a stimulating Christian learning environment, one that values and treats each child as an individual with unique abilities knowing that students perform best in such an environment.

The school's curriculum will also include a diverse range of subjects according to the specification of the Department.
