Staffing arrangements in Primary Schools for the 2018/19 school year

February 2018

This document should be read in the context of Circular 0010/2018.

Allocations

1. Will the Department be writing to my school in relation to its staffing for the 2018/19 school year?

Circular 0010/2018 is the Department notification to all schools regarding their staffing levels for the 2018/19 school year. Schools are required to comply with the arrangements in the Circular without an individual letter being sent to each school from the Department.

2. How many mainstream classroom posts is my school entitled to?

Check the schedule appropriate to your school at Appendix A of Circular 0010/2018 using the school enrolment at 30 September 2017 to find out how many mainstream classroom teachers your school will have for the 2018/19 school year.

School management should note that additional teaching resources that are allocated to schools, e.g. Special Education Teacher, full-time EAL posts, etc, cannot be used for mainstream class teaching or to reduce the pupil-teacher ratio in mainstream classes but should be deployed to provide the specific support as allocated.

3. My school will have a significant increase in enrolments for the coming school year. Is there any provision for this?

Schools that project a significant increase in enrolments for September 2018 may apply for developing school status. The criteria and application arrangements for this are set out at Section 1 of Circular 0010/2018.

4. What is the process if there is a teacher in my school that was awarded a CID in or before the 2017/18 school year?

The CID Declaration Form18 (Appendix G) must be completed and submitted to the Primary Allocations Section by 23rd February 2018.

5. What is the process if there is a teacher in my school due to be awarded a CID from the commencement of the 2018/19 school year?

Form CIDApp(18/19) (Appendix H) must be completed and forwarded to the Primary Allocations Section by 23rd February 2018.

Special Education Teacher Allocation

1. What is the Special Education Teacher allocation?

This allocation supersedes the previous allocation for GAM/EAL and allocations for permanent, temporary and part-time resource posts.

2. How will I know my Special Education Teacher allocation?

Schools have been informed of their allocation by the NCSE. Appendix C of Circular 0010/2018 sets out the full-time posts, shared posts and part time hours in each school.

3. What do I do if I think that the Special Education Teacher allocation for my school set out is incorrect?

Schools have been informed of the process for appealing their Special Education Teacher allocation by the NCSE.

4. My school is newly established/newly amalgamated for the 2018/19 school year. Will the school get a Special Education Teacher allocation?

The allocation for new schools and newly amalgamated schools will be calculated by Special Education Section.

5. My school was in a SET clustering arrangement for the 2017/18 school year. What happens to this cluster arrangement?

The cluster your school had for the 2017/18 school year remains in place for the 2018/19 school year.

6. If my school has part-time hours and is now able to form a full-time cluster post with another school(s), what should I do?

The base school for your cluster must complete FormS.E.T.Cluster18 at Appendix D of Circular 0010/2018, which is the notification to the Department giving details of your school and any others in the cluster. All schools in the cluster must sign the form before it is submitted, by the base school, to the Department. The form must be submitted by 23rd February 2018.

7. My school has a high concentration of pupils that require EAL support. What are the arrangements for language support for those pupils?

A Special Education Teacher allocation is made to all schools. Schools have autonomy on how to deploy the allocation between learning support and language support.

Since the 2012/13 school year permanent posts were also made available for schools with a high concentration of pupils requiring language support (EAL posts). There will be no additional permanent EAL posts sanctioned to schools for the 2018/19 school year. Schools in receipt of such posts are listed at Appendix C of Circular 0010/2018.

In addition schools with a high enrolment of EAL pupils that require EAL support (pupils with less than B1 (Level 3 Proficiency) may appeal to the Primary Staffing Appeals Board for additional EAL support. Eligibility to submit an application to the Appeals Board is confined to those schools with at least 20% of their total enrolment made up of pupils that require EAL support. This will be focussed on the number of pupils requiring EAL support that have had less than three years EAL support. Posts allocated by the Appeal Board will be on a temporary basis for the 2018/19 school year. See Section 4 of Circular 0010/2018.

8. If my school had a permanent language support post in the 2017/18 school year, will it remain in place for 2018/19?

Yes.

Redeployment of Surplus Permanent/CID holding Teachers

1. How do I know if there is a surplus permanent/CID holding teacher in my school?

Appendix A & C of Circular 0010/2018 sets out the bulk of allocations for most schools. If you have more teachers in the school than permitted by your allocation, a teacher(s) is surplus to the requirements of the school.

2. What do I do if I have a surplus permanent/CID holding teacher in my school?

You should arrange to have the completed Main Panel Form (MPF) at Appendix E of Circular 0010/2018 returned to the Department's Primary Teacher Allocations Section by 23rd February 2018.

The most junior eligible teacher in the school is first in line to be placed on the panel for redeployment to another school. However, in exceptional circumstances s/he may seek the approval of the Board of Management to be replaced on the panel by an alternative eligible teacher.

If the most junior eligible teacher seeks to be replaced on the panel, any other teacher interested in going on the panel must communicate his/her position to the Chairperson within five working days.

The application from the staff member will be considered by the Board of Management. The final decision to admit a teacher to a panel rests with the Patron, who shall be given the reasons when it is intended to replace the most junior eligible teacher.

The Main Panel Form (MPF) must be completed by the surplus teacher to be placed on the panel and the Chairperson. The Main Panel Form should be submitted to the Department by 23rd February 2018.

Notification of Vacancies

1. Who do I need to inform that there is a vacancy in my school?

Each BOM is obliged to notify its relevant panel operator (diocesan secretary etc.) by 23rd February 2018 of any impending permanent and fixed term vacancies for the 2018/19 school year.

Any subsequent permanent and fixed term vacancies must be notified within 5 working days of the vacancy becoming known to the Chairperson or Principal.

Schools with special class vacancies and special schools with vacancies that are fillable from the Special National Panel are required to notify these vacancies to the Department's Primary Teacher Allocations Section. This should be done by emailing primaryallocations@education.gov.ie within the above timeframes.

2. What is the position if my school does not have access to a redeployment panel?

Schools that do not have access to a redeployment panel must, within the same timeframes as outlined above, notify all their permanent and fixed term vacancies to the Department's Primary Teacher Allocations Section. This should be done by emailing primaryallocations@education.gov.ie

3. What if I have a temporary (fixed term) vacancy?

You must notify this vacancy to the panel operator within the timeframes set out in Circular 0010/2018. If there is a surplus CID-holding teacher in the school, s/he must remain in the school and take up the fixed-term vacancy. If there is a permanent teacher from your school on the main redeployment panel who wishes to defer his/her panel rights and take up the fixed term post for the 2018/19 school year, s/he may do so. Otherwise it must be made available, if required, to be filled by any other surplus permanent/CID holding teacher on the main redeployment panel.

4. If my vacancy is a clustered S.E.T post how do I fill it?

You should, in the first instance, offer the post among the base school staff. If a staff member opts to be the S.E.T. teacher the consequential vacancy is filled through the relevant main redeployment panel.

If no teacher in the base school wishes to take up the S.E.T. post it should be offered among the relevant teachers in the schools in the cluster. If a teacher from one of those schools opts to take it, s/he moves to the base school and the resultant vacancy is filled through the main redeployment panel. If no teacher in any of the schools in the cluster opts to fill the S.E.T. post, it is filled through the Special National Panel.
