Teacher Allocations and redeployment of surplus permanent/CID holding teachers

Department Circular 0019/2021 was published in March 2021 and it set out the staffing arrangements for primary schools for the 2021/22 school year. At this stage, the teacher allocation process is largely finalised for most schools.

There are currently a total of 18 surplus permanent/CID holding teachers on panels for redeployment to vacancies in other schools.

Schools are reminded that the redeployment of all surplus permanent teachers is key to the Department’s ability to manage within its payroll budget.

The timeframe for the school led redeployment process was Wednesday, 2nd June 2021.

The Department is liaising closely with the Panel Operators in relation to progress on clearing panels and Panel Officers have been appointed in accordance with the published redeployment arrangements.

Progression to the next stage of recruitment

In panel areas where the Main Panel has cleared, any remaining permanent posts may be filled from the Supplementary panel and all fixed term vacancies can be advertised as per the terms of circular 19/2021. The Supplementary panel for these areas will be released later to-day.

In panel areas where the main panel has not cleared (see panel update summary) schools may advertise their fixed-term vacancies only, subject to the following line being included in the advertisement:

“The filling of this post is subject to the post not being required for the main panel redeployment process”
The above line is to cover the potential that a fixed-term post may still be required for a teacher on the main panel or one who may be placed on the main panel at a later stage (as per Section 6.3.1 of the FAQ- redeployment guidelines).

The potential for this to arise is low and if it does the Department / Panel Operator will contact the relevant school(s) directly. **Teachers on the main panel are not required to apply for fixed term posts advertised.**

The Supplementary Panel for these areas will issue when the main panel is cleared.

Please note that in line with the terms outlined in 6.3.6 in the FAQ on redeployment arrangements - The Department reserves the right to redeploy a teacher from the main-panel into a permanent post should that teacher have been redeployed into a fixed-term post (it having been the only option at that specific time).

The **supplementary panel** is now in operation for the panel operators in the following areas:

- **Catholic Dioceses:** Achonry, Ardagh & Clonmacnoise, Armagh, Cashel & Emly, Clogher, Clonfert, Cloyne, Derry, Dublin, Kildare & Leighlin, Killala, Kilmore, Meath, Ross, Waterford & Lismore
- **An Foras Patrúnachta:** All Areas
- **Church Of Ireland:** All Areas
- **Educate Together:** All Areas
- **Community National Schools:** All Areas

All other schools within the above areas that do not have access to a panel may also proceed to fill their permanent and fixed term posts provided they have already notified their vacancies to the Department in accordance with the arrangements set out in Circular 0019/2021.
