Update on Teacher Allocations and Redeployment Panels at Primary level for the 2021/22 school year:

Position at 17th May 2021

Teacher Allocations and redeployment of surplus permanent/CID holding teachers

Department Circular 0019/2021 was published in March 2021 and it set out the staffing arrangements for primary schools for the 2021/22 school year. At this stage, the teacher allocation process is largely finalised for most schools.

The main redeployment panels have now been issued to the relevant Panel Operators. There are currently a total of 187 surplus permanent/CID holding teachers on panels for redeployment to vacancies in other schools.

Click here for the latest summary list for each of the individual redeployment panels. Please note that the next update of this summary list will be published on the Department website on Friday 28th May 2021.

Schools are reminded that the redeployment of all surplus permanent teachers is key to the Department’s ability to manage within its payroll budget.

Schools with vacancies are now required to immediately commence the process of filling their vacancies from the list of surplus permanent/CID holding teachers on the redeployment panels. The timeframe for the school led redeployment process is Wednesday 2nd June 2021.

Given that the teacher allocation process for the 2021/22 school year is largely complete for many primary schools, the target is for the vast bulk of the redeployment of surplus permanent teachers to be done by Wednesday 2nd June 2021 during the school led process. Throughout the redeployment process the Department will be liaising closely with the Panel Operators in relation to progress on clearing panels in a timely manner. Panel Officers will be appointed after Wednesday 2nd June 2021.

The Panel Officer process will commence with the school of the same patronage that is located nearest to the school with the surplus teacher.

Schools are also reminded that they are not permitted to commence a recruitment process to fill a permanent or fixed term teaching vacancy in any other manner until the Department is satisfied that vacant positions are not required for redeployment of any remaining permanent/CID holding teachers on a main panel. The timing of when teaching vacancies can be filled in any other manner will depend on how quickly permanent/CID holding teachers are redeployed into vacancies. The Department will publish regular
panel updates on its website which will inform schools and teachers of progress being made on the redeployment of permanent /CID holding teachers.

**Supplementary panels for 2021/22 school year**

Supplementary panels will be circulated at a later stage and will be used to fill remaining permanent vacancies that are not required for the redeployment of surplus permanent/CID holding teachers.

This process will commence when the redeployment process for the surplus permanent/CID holding teachers is concluded.

The Department received over 1,960 applications from fixed-term, part-time and substitute teachers for inclusion on supplementary panels. Teachers who applied for inclusion on the supplementary panels have been notified of the outcome of their applications.
