To whom it concerns,

In the document titled  
"pbu\_new\_school\_primary\_patronage\_firhouse\_oldbawn\_2012" July 2012 which is available on the Dept  
website,  
( [http://www.education.ie/en/Schools-Colleges/Information/Establishing-a-New-School/New-Primary-Schools/pbu\\_new\\_school\\_primary\\_patronage\\_firhouse\\_oldbawn\\_2012.pdf](http://www.education.ie/en/Schools-Colleges/Information/Establishing-a-New-School/New-Primary-Schools/pbu_new_school_primary_patronage_firhouse_oldbawn_2012.pdf) )

on page 4, there is the line "According to the Child Benefit Data there are a potential 772 children who could start school in this feeder area in 2013". May I please have a detailed breakdown of the make-up of the figure "772", with particular attention given to any housing estates, which according to the CSO and EIRCode, are within Dublin 16 e.g. Woodstown, Glenvara, Glenlyon, Stocking Avenue and may have been included in the number.

An email / scan document response to [REDACTED] is satisfactory.

Many thanks
