

10th Nov. 2015.

FOI Request Reference No: 2015/274,

Caroline Curran,
Higher Executive Officer/ Decision Maker,
School Governance Section.

Dear Caroline,

Thank you for compiling the documents and cover letter dated 19th October 2015, that I received from your office, regarding my FOI request.

I wish to proceed with my right to appeal, as the information you furnished to me dated 19th October 2015 is totally unsatisfactory, and in no way meets the specifics of my FOI Request to your Department dated 23rd Aug.2015.

I wish to make reference to the "schedule of records" that you supplied to me, regarding my FOI Request, and see that document numbers, 6,7,14, 20, 21, 23, 28, 29, 30, 31, 32, 41, 42, 43, 44, 45, 54, 55, 56, 57, and 48, have been refused, in total 21 documents have been refused out of a total of 65.

Please note that I have also sent my fee of 30 euro, with cover letter, to Mr. Jason Colligan, as advised by him in his correspondence to me to dated 27th Aug. 2015, (see copy enclosed),

Yours sincerely
