Hello,

My request is being made under the Freedom of Information Act 2014. I wish to request access to the following records:

1. The number of primary and secondary teachers who received pension lump sums of between €150,000 and €250,000 upon retirement in each of the past five years.
2. The top five individual payments made to retiring primary and secondary teachers in each of the past five years.
3. The total amount spent in retirement payments in each of the past five years.
4. How much has been spent in pension payments — excluding lump sum payments — each year since 2011?

If you need to clarify anything I am contactable at [redacted]

I would like to receive all correspondence in electronic format.

Regards,
