Hi,

[REDACTED]

I would like to make a request for access to records under the Freedom of Information Act (2014).

If possible, my preferred form of access is an electronic copy to be sent to this e-mail address. If that is not possible however, a photocopy to the address stated below would be perfect.

[REDACTED]

In accordance with Section 12 of the Freedom of Information Act, I request access to records which are non-personal.

I request the following records:

Capital expenditure granted to Waterford Institute of Technology on a year-by-year basis from the years 2010-2015. If there are records on what project or programme the money was put toward I would also request that.
