To whom it may concern,
Recently the parents on St Mochtas NS received devastating news that the promise of a new rebuild of the existing school was 'on the list' and 'ready to go to tender', were untrue and NOT happening.

I am seeking information to know if the above was ever the case and would like all relevant documents regarding this matter as I need all relevant information before I approach my local TDs regarding this matter.

If u need to call in person this is possible but information can be emailed to this address or posted to Fiona Brennan, 50 Sorrel Heath, Clonsilla, Dublin 15

Many thanks and please contact me as needed
