Hello,

My request is being made under the Freedom of Information Act 2014. I wish to request access to the following records:

1. The amount spent on vermin control in schools in each of the past five years.  
To be clear, this would include a breakdown of costs for schools in the primary/secondary sector, as well as the type of vermin discovered in each school.

[REDACTED]

I would like to receive all correspondence in electronic format.

Regards,
