Dear Della,

Thanks for your email.

I wish to confirm that I am happy to narrow the scope of my FOI application as outlined in your email.

Kind regards,

FOI,

I refer to FOI Request No. 2017/16 from [REDACTED] as follows:

\* Correspondence or lobbying by TDs, schools or representative bodies to the Minister's office regarding the Department's plans to: (1) end waiting lists for admission to schools, (2) a limit of 25 per cent on past-pupils, since January 2015 up to the date of processing this request

I have just spoken with [REDACTED] in relation to FOI 2017/16 and he has agreed to narrow down his request as follows:

\* Correspondence or lobbying by TDs, schools or representative bodies to the Minister's office regarding the Department's plans to: (1) end waiting lists for admission to schools, (2) a limit of 25 per cent on past-pupils, since November 2015 up to the date of processing this request

I trust this is in order,
