Subject: FOI request - teacher assaults

Dear Sir/Madam,

I wish to make a request under the Freedom of Information Act 2014.

I would like to know how many teachers were subjected to assaults while working during 2012, 2013, 2014, 2015 and 2016.

In relation to each assault, I wish to know the county each assault took place in, the school in which it took place, whether that school was a primary school or a secondary school, the gender of the teacher assaulted, the gender of the assailant, the age of the assailant, and the nature of the assault.

Finally, I would like to know in each case if the assault resulted in the teacher taking sick leave and, if so, how long this sick leave was, and how much money the sick leave cost the State.

I would like the details in electronic format please, via email.

Kind Regards,

[REDACTED]
