Re: FOI request – 2017/89

I refer to the request which you made under the Freedom of Information Act 2014 for records held by this Department:

Total funding given to each Primary, Voluntary Secondary and Community & Comprehensive School in the Dublin area, which will outline the total funding issued to each school from this Department.

I, Claire Dolan have now made a final decision to grant your request on 21st March 2017.

Accordingly, a copy of the records is now enclosed including a copy of the schedule to these records.

Right of appeal

You may appeal this decision. In the event that you need to make such an appeal, you can do so by writing to the Freedom of Information Unit, Department of Education and Skills, Marlborough Street, Dublin 1. Your correspondence should include a fee of €30 (€10 for medical card holders) *(delete as applicable)* for processing the appeal. Payment should be made by way of personal cheque or postal money order made payable to the accountant in the Department of Education and Skills. Please note the Department of Education and Skills no longer accept cheque payments from business users. For further information regarding payment methods for business users, please email foi@education.gov.ie

You should make your appeal within 4 weeks from the date of this notification, where a day is defined as a working day excluding the weekend and public holidays. However, the making of a late appeal may be permitted in appropriate circumstances. The appeal will involve a complete reconsideration of the matter by a more senior member of the staff of this body.

Publication

All non-personal FOI requests will be recorded on an FOI disclosure log which will be published on the Department of Education and Skills website in due course.
