Hi Claire,

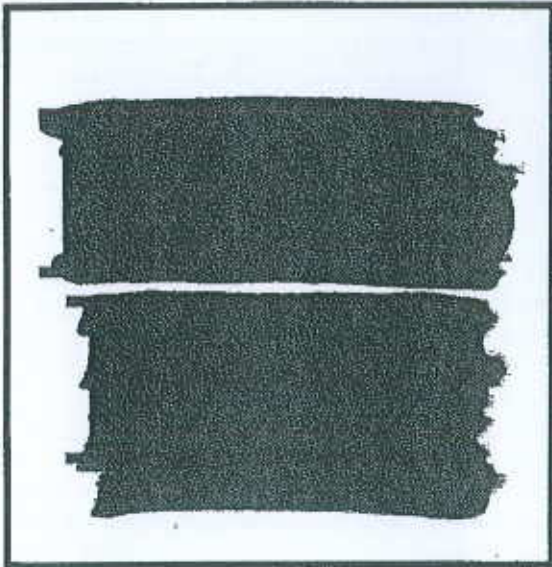

Many thanks for this.

Absolutely, can I refine it as suggested then:

***Total funding given to each Primary, Voluntary Secondary and Community & Comprehensive School in the Dublin area, which will outline the total funding issued to each school from this Department.***

Do I need to do anything else or is this email sufficient?

Many thanks,

I refer to the request which you made under the Freedom of Information Act 2014 for records held by this body:

Your request sought:

- (1) Records that show the total amount of funding given to each primary school in the four Dublin local authority areas (Dublin City Council, Dun Laoghaire-Rathdown, South Dublin County Council and Fingal County Council) for the year 2015-2016, broken down by school.
- (2) Records that show the total amount of funding given to each post-primary school in the four Dublin local authority areas (Dublin City Council, Dun Laoghaire-Rathdown, South Dublin County Council, and Fingal County Council) for the year 2015-2016, broken down by school.

By funding what is meant through all of the grant and funding schemes that the Department of Education and Skills fund schools through, such as the

- Capitation grants
- Ancillary service grant
- School books scheme grant
- DEIS funding
- And others.

The Department does not hold funding records sought broken down by local authority.

This Department does not hold records sought for ETB schools. This Department does not pay ETB schools direct. A block grant for non-pay is issued to each ETB. This is to afford flexibility, giving each ETB a high level of autonomy in its management and disbursement of funds. You should contact the relevant ETBs for information requested on funding to ETB schools.

This Department can provide a breakdown of total funding to Primary, Voluntary Secondary and Community & Comprehensive schools in the Dublin area.

Can you refine your request to the following: *Total funding given to each Primary, Voluntary Secondary and Community & Comprehensive School in the Dublin area. This will outline the total funding issued to each school from this Department.*

Please contact me should you require further information or clarification,

Yours sincerely

Freedom of Information  
Media inquiry re: school funding

Dear FOI team,

I would like to request the following data sets under the Freedom of Information Act 2014:

1. Records that show the total amount of funding given to each primary school in the four Dublin local authority areas (Dublin City Council, Dun Laoghaire-Rathdown, South Dublin County Council, and Fingal County Council) for the year 2015-2016, broken down by school.
2. Records that show the total amount of funding given to each post-primary school in the four Dublin local authority areas (Dublin City Council, Dun Laoghaire-Rathdown, South Dublin County Council, and Fingal County Council) for the year 2015-2016, broken down by school.

Just to make sure I am clear, by funding I mean through all of the grant and funding schemes that the Department of Education and Skills fund schools through, such as the;

- Capitation grants
- Ancillary service grant
- School books scheme grant
- DEIS funding
- And others

Many thanks,
