Freedom of Information Office,

[REDACTED] is my name. I would like to make a request of the Department of Education under the Freedom of Information Act. My request relates to the attendance by the Secretary general at the Public Accounts Committee today (March 23, 2017).

I seek:

1. A copy of all briefing material prepared for the Secretary general in advance of the meeting.
2. Records relating to the establishment and conduct of the internal review mentioned by the Secretary general during the questions and answers section of the hearing regarding the sale of a spin off company by WIT.

Under Section 17 of the Act I seek all records in electronic form. If refining the wording of the request would reduce unnecessary work for the Department I am happy to consider a revised scope.

I can be contacted at all times on [REDACTED].

Regards,

[REDACTED]
