Dear Sir/Madam,

I am writing to you today as I wish to receive information under the Freedom of Information Act.

I wish to be furnished with all details in relation to education and training programmes offered to staff within the department from January 1, 2016, to date.

This should include the following details:

- What courses were offered to staff?
- How many participated in each course?
- What was the cost and duration of each course?
- And what company/institute provided the education or training course?
- How many staff are currently employed by the department?

Should you require to clarify any of the above, please do not hesitate to contact me at this email.

Many thanks in advance,
