Dear Ms. Lennon,

I wish to follow up with further information that you have requested in order to help you deal with my FOI request, reference number FOI/2017/219 as listed directly below.

"I'm requesting under the Freedom of Information Act all documents, emails, records and correspondence in relation to Trim Educate Together National School (Roll No 20444B) between the years September 2012 – Present (May 2017)."

I appreciate that there might be elements to this request that are irrelevant to my query and would also put a great deal of effort on your part. Consequently to more specify, I wish to request documents, emails, records and correspondence that involve Educate Together National School (Roll No 20444B):

- That deal with their proposed, intended, expected move to the Mercy National School, Patrick's Street.
- That deal with any plans to re-locate, locate, establish, move the school to any other areas around Trim.
- That deal with the extension of its lease in its present site in the Glebe, Kildalkey Road.
- That involves the school and the Planning and Building Unit/Forward Planning Section/Forward Planning Unit of the Department of Education & Skills.
- That involves the Schools Capital Appraisal Section of the Department of Education & Skills.

Thank you very much for your assistance on the matter and once again please do not hesitate to contact me for further information if required.

Kind regards,
