Dear Sir/Madam,

I wish to apply for records held by the Department of Education under the Freedom of Information Act.

Among the records I am seeking access to include:

* The number of post-primary teachers who had deduction facilities set up for ASTI and TUI subscriptions between January 2017 and Jul 2017;

* The Department of Education's latest edition of its risk register, which lists risks facing the department ranging from major to minor. (Note; this information is routinely released by other State bodies on request, such as the HSE).

* Minutes of management board meetings, if any, held since December 3rd, 2017

* Minutes of Minister / management board meetings held since December 3rd, 2017, if any, up to the date of processing this request;

I am happy to receive records either in printed form or electronically, whichever is most convenient and cost-effective for the department.

Should you have any query, please feel free to contact me on: [REDACTED]

Yours sincerely,
[REDACTED]
