2. Legislative/Governance Provision for Universities

2.1 Governing Authorities Legislation:
Governing authorities of higher education institutions, such as Universities, have statutory roles and the institutions which they govern have high levels of autonomy which makes the role of the Governing Authority even more important in terms of governance and accountability.

The following legislative provisions apply to the appointment of ordinary members to Governing Authorities of Universities:

- Section 16 (3)(c) of the Universities Act, states that “subject to subsections (8) and (9), the same number of persons as chosen in accordance with paragraph (a), who shall be appointed by the Governing Authority on the nomination of the Minister, after consultation by the Minister with the Chief Officer”.

- In accordance with Section 16(9) of the Universities Act, the Minister is requested to ensure that there are at least 2 members of the Governing Authority chosen or to be appointed from his own nominees or the external representative organisations who, in the opinion of the Minister, are representative of business or industry.

- Section 16(7) of the Universities Act, 1997 provides that the Minister’s nominees, the nominees of the representative organisations, the nominees of the cultural and artistic interests and the graduates cannot be employees or students of the university, except where the current Governing Authority waives the restriction.

Relevant legislative provisions can be found at the link below:-

2.2 Functions of a Governing Authority for a University:
The role of the Governing Authority is governed by Section 18 of the Universities Act 1997 which sets out the following functions:

(a) to control and administer the land and other property of the university,
(b) to appoint the chief officer and such other employees as it thinks necessary for the purposes of the university,
(c) subject to this Act and its charter, if any, statutes and regulations, to determine the membership from time to time of the governing authority, and
(d) to perform such other functions as are imposed on it by or under this or any other Act or by its charter, if any, statutes and regulations.

2.3 Code of Governance for Irish Universities:
Members of Governing Authorities will be required to comply with provisions of the Code of Governance for Irish Universities 2019.

All of the positions advertised are unremunerated. Members of the Governing Authorities of the Universities and the Board of Comhairle Bhéaloideas Éireann may claim travel and subsistence expenses in respect of journeys undertaken to attend meetings of the Authority and to transact its business. All expenses are paid in accordance with approved public sector rates or in line with University policy for external members of the Governing Authority.
