

Gaelscoil Eiscir Riada

What is this?

Cnuasach de 7 mbunscoil atá ag obair chun múineadh scileanna 21ú aois i measc múinteoirí Rang 3- 6 a fhorbairt tríd úsáid a bhaint as Lego WeDo 2.0. Bualaimid lena chéile x 4 l rith nab liana agus roinnimid áiseanna agus smaointe ar SeeSaw.

Who was involved?

Frank Ó Tormaigh (Gaelscoil Eiscir Riada, Príomh scoil) 7 nGaelscoil i BÁC, Cill Dara, SEIGS (DCU), Prof. Deirdre Butler, Learnit Ross Maguire. PDST-TiE (Denis Moynihan, John Meegan)

How was the relationship established?

Bhí Deirdre mar leachtóir do Frank Ó Tormaigh (ceannaire an cnuasach) nuair a bhí a mhaistreacht ar siúl aige. Mhúin Ross Maguire Frank leis.

How can this exemplar be used to inform practice?

Tá an cnuasach mar dea shampla de conas tacú lena chéile ar line. Tríd áiseanna agus smaointí a roinnt ar SeeSaw ardaíonn muinín na múinteoirí. Thosnaíomar amach le beirt mhúinteoir ó gach scoil i mbliain 1. Tháinig beirt mhúinteoir eile ó gach scoil isteach i bliain 2 agus faigheann siad tacaíocht ósna na múinteoirí ó bliain 1 chomh maith. D'fhéadfadh an struchtúr a úsáid maidir le aon áis / stráitéis nua atá agaibh in aon scoil.

What was done? Why was it done?

Please read year 1 of our blog: <http://clusterlegogaelscoileanna.blogspot.com/p/year-1-bliain-1.html>

What brought about the change?

Commitment from schools and teachers

What was the impact?

Increased confidence levels of teachers when teaching science.

What was your learning from the project?

Invest in training first. Too many schools invest in hardware first before knowing what to do with it.

How will it influence your future learning?

Again, training first.

Could anything have been done differently?

No.
